RE: 2019 MN Komen Foundation Grant Application

Dear NAME,

The purpose of this letter is to express the Church of St. Joseph's support for APPLICANT's XXX program and the valuable impact this program has on the communities we serve. The Church of St. Joseph has been partnering with APPLICANT to implement the XXX program for the past 4 years, and we hope to continue this partnership through help from the MN Komen Foundation.

We know that in Minnesota, breast cancer rates continue to increase year after year, and for many women, especially those in the margins, the cancer is often diagnosed at stage 3 or 4, when treatment is much more difficult. We have chosen to partner with APPLICANT and the XXX program by hosting screening events for underserved women in our community. The value to both the women and our community is priceless. Ensuring all women have access to preventative breast cancer screenings and diagnostic services is critical in order to catch cancer early and reduce mortality rates.

Thank you again for the valuable work that you do through the XXX program and know of our continued support as you continue to meet the needs of underserved women across the Twin Cities and surrounding areas. If you have any questions regarding this letter, or require further assistance, please do not hesitate to contact me at (XXX) XXX-XXXX or XXX@gmail.com.

Sincerely,

<SIGNATURE>
